

Fenimore Rally & Benefit

CHARITY MOTOR CLUB

On Saturday, August 1st, join us to take a beautiful "spirited" drive through the countryside down to Cooperstown, NY where you will be greeted by some breathtaking views. Whether it is along the scenic Route 20 to Route 80 coming from the capital district or from Route 8 and Route 20 from the greater Utica area, it will be sure to not disappoint.

Once entering Cooperstown our destination will be to arrive at the crown jewel, Fenimore Art Museum. This museum not only is showcased on pristine property right on Otsego Lake but is home to one of America's greatest fine art collections and Native American collection. What a perfect place and setting to display our automobiles and to enjoy a fun-filled and relaxing day.

FENIMORE ART MUSEUM - SCHOLARSHIP FUND

The benefit we have chosen for this event is to donate towards a scholarship fund, which will be given to the museum to put towards helping kids from lower income school districts get a solid core education and give them the opportunity through culture and fine art.

We are here to help shape their future...
